2022 Celebrate the Season

Registration Package

Members' Show and Sale December 4th 2022 to January the 8th 2023

[FirstOntario Arts Centre](#) - 1010 Main St East, Milton, ON

Wow! what a year we had, and there is no better way of closing 2022 than placing your artwork in the Holcim Gallery. For those of you who are new members to FASM, we give members in good standing an opportunity to display 2 pieces of your artwork. This is your opportunity to show the community your best work. Each member is eligible to enter one or two pieces for a **fee of \$45.00**.

So that all members can be considered, we ask that wall-mounted works **not exceed 42 inches in width**. Also, **your work must** be finished properly to the edges and completed with wire in place, **ready to hang**.

Final art pieces should have a hanging sleeve attached on the back top with an inserted wood dowel flush to the edges. Eye screws should be attached to the dowel ends for hanging.

Displays and tables will also be available for artwork to be placed on. (Clay, Pottery, Wood, etc.)

Art sales that occur are between the Artist and the Purchaser. Once a piece has been sold, please notify Anne-Ellice at events@fasm.ca, and a red dot sticker will mark it paid. Please note that art pieces (including sold pieces) cannot leave the gallery before January 8th, 2023. We ask that the Artist be present at the time of pick-up by the Purchaser.

Please note: FirstOntario Arts Centre creates a catalogue listing all the artist's contact information. I will be adding to that your previously submitted bio and headshot from past events. If you haven't provided us with a bio or headshot, you can do so by emailing events@fasm.ca. Also, please add a note on what inspired you to create the piece that you have hung in the Gallery. This catalogue will be available to all who visit the Gallery.
